HAPPY NEW YEAR

FUNDRAISING CAMPAIGN

Several times a year, we ask our community and the public to help in providing for the needy, E2S clients. Our campaign begins with soliciting funds starting the last of December and running all year however our goal to raise \$20,000 culminates at our annual awards celebration program

which is to be held on February 4, 2023. Next, is the Atlanta Community Food Bank Hunger Walk/Run. We support our sponsors and we ask you to support us by participating in this year's 5K walk/run. The event happens March 12 and the cost is only \$30-\$35—90% of proceeds go to us. More details are available. Then there is the Souk Ma'un—open-air crafts market.

Enjoy crafts, food and entertainment during this event. You are invited to showcase a craft, provide a talent, sponsor a booth. Details forthcoming.

Lastly, for the first time this year we solicited help/funds through Giving Tuesday—the last Tuesday in November. We'll try again next year.

FAITH (VIBE OF THE MONTH)

The power of faith is useless if we don't truly believe or have faith.

We see with and walk with "spiritual eyes." We believe that every situation will go as planned and willed by the Almighty.

I paraphrase the late Dr. M. L. King, Jr. —faith is taking the first steps even when we don't see the whole staircase.

FAITH RULES!!
